DELIVER SOLUTIONS | ENHANCE COMMUNITY

At Black & More, we have a value-guided approach to human resources and believe that our people are the foundation of our success. We are a dynamic project management and engineering company that values teamwork, innovation, and professional growth. If you are looking for an exciting career with ample opportunities for development, mentorship, and rewarding projects, Black & More is the place for you!

## GRADUATE CIVIL/STRUCTURAL ENGINEER - (NORTH BRISBANE OR CAIRNS)

Our project commitments are expanding, and we require emerging talent to support our Cairns and North Brisbane engineering teams.

### The Role

At Black & More, we employ the right people and shape careers around their strengths and ambitions. We envisage that the right person will have a broad role that includes:

- Delivering designs and documentation for civil and structural engineering projects.
- Conducting condition assessments and reporting for bridges, buildings, and other structures.
- Managing projects, including planning, procurement, and contract administration
- Performing construction inspections, certification, and site investigations

### Requirements

The successful candidate will have the following attributes:

- Bachelor's degree qualified in Civil Engineering (Undergraduates will be considered).
- Strong verbal communication skills to be able to present and articulate ideas to a wide variety of stakeholders.
- Ability to meet timeframes to deliver quality outcomes.
- A can-do, client-focused approach to problem-solving.
- Ability to work as part of a team.
- The drive to continue to develop and gain experience.
- A current driver's licence.
- Australian work rights are required for this position.

This is an entry-level role, so no professional experience is required to apply.

### How do I apply?

Your application should include a Curriculum Vitae (CV), referees and an application-specific cover letter. Your cover letter should outline:

- Why you are interested in this role.
- Demonstrate why you believe you are or can be an ideal candidate.
- Outline how you meet the candidate requirements.

Please send your application to [careers@blackm.com](mailto:careers@blackm.com)
